Bill to Derecognize Quantitative Finance Club

Whereas, the Engineering Governing Council (EGC) is the governing body responsible for overseeing and supporting the societies relating to the School of Engineering; and

Whereas, the Quantitative Finance Club fails to meet the requirements to remain as a standing EGC society; and

Whereas, Quantitative Finance Club no longer receives funding through EGC and now is funded through the Rutgers Business School (RBS); therefore

Be it hereby enacted, that the Engineering Governing Council (EGC) derecognizes Quantitative Finance Club as an official EGC society.
